To whom it may concern,

Please find enclosed my detailed Resume.

My education has equipped me with the abilities essential to be successful in almost any position. I believe that I would be able to work well as a systems analyst and software programmer.

I am a conscientious person who works hard and pays attention to detail. I am flexible, quick to pick up new skills and eager to learn from other. I am keen to work for a company with a reputation of being diligent and a standard of excellence in service delivery.

Thank you for taking the time to review my cover letter and resume.

Sincerely,

Hendrik Schmidt

Hendrik Johann Schmidt

I am a hard-working and determined individual seeking an opportunity to succeed in a dynamic company. As a highly-motivated and results orientated person, I am eager to learn and confident that I can deliver successful results for any company.
